

Brief Bio Blurb of Comic Hypnotist BLAZE

Comic & Professional Stage Hypnotist

BLAZE brings his charismatic stage presence and provocateur's wit full-force to every stunning stage hypnotism show before audiences nationwide!

Comic Hypnotist BLAZE was born in Manchester, CT. Since 1989 this Connecticut Yankee and baby-boomer lives in Richmond, VA. He developed his comedic and improvisational sense of humor during twelve years of prep-school at the dubiously prestigious *Dry-Wit Academy for The Double-Entendre Arts & Self-Effacing Humorous Sciences* in the beautifully bucolic, but boring, Connecticut countryside. Eventually, he earned a B.A. degree, Magna Cum Laude, in English, from the University of Connecticut (go Huskies!).

Fast forward in time—after far too-many years working for others and after ten years as an accomplished marketing consultant, author, speaker, trainer, and even successful real-estate investor, **BLAZE** had a satori experience—a profound moment of enlightenment. As the millennium approached, feeling inspired and called to entertain, he knew that it was time for changes on many professional levels (no more bosses) and personal levels, especially no more tenants and toilets.

And, so, **Comic Hypnotist BLAZE** threw himself headlong into learning hypnotism and perfecting his dynamic stage hypnotism and performance skills. Leveraging his expertise with the written and spoken word he read everything he could on hypnotism and hypnosis and soon discovered that had both a great passion for performing and a natural gift for communicating hypnosis, which he refined into a stunning stage hypnosis performance that is as enlightening as it is entertaining.

Comic Hypnotist BLAZE is a proud member of the National Guild of Hypnotists.

BLAZE is a full-time entertainer, not a moonlighting therapist. He's a Certified Professional Stage Hypnotist who studied with international hypnotists Alexander Duvall, Jerry Valley and Ormond McGill—"The Dean of American Hypnotists" and still-living legend among hypnotists worldwide.

Through his fast-paced and witty wizardry for fitting the hypnotic suggestion to the volunteers, **Comic Hypnotist BLAZE** cracks open and unleashes the hilarious hidden talents, creativity, and invariably whacky imaginations from the subconscious minds of his show's volunteers for your enjoyment!

Comic Hypnotist BLAZE'S mastery of rapid, hypnotic inductions and silly suggestions puts his shows volunteers comfortably and enjoyably deep in trance for the sheer delight of audiences everywhere he performs. Adds **BLAZE** wryly,

"After the show, none of the volunteers has ever had a sudden, uncontrollable urge to shave their head, put on an orange robe and go out and sell daisies at the airport—not yet anyway!"

Comic Hypnotist BLAZE invites you on a daring hypnotic journey to places yet unexplored by this marvelous comedic mind-manager.
